### **BOYS & GIRLS BASKETBALL TRAINING**

#### **Boys & Girls Basketball Training:**

For training there are two options. The first training option is Individual Training. You can decide what you want to focus on or have Coach Kennevan develop a individual training plan best suited for taking your game to the next level. Each individual training session is 1 hour session that will be specifically tailored to each players strengths and weaknesses. The second training option is Group Training. This will be for small groups of 3-4 players who want to train together. Each group training session is a 1 hour session that will focus on 1 on 1 moves and special emphasis on what each player(s) want to focus on together.

\*\$50 per player – Individual Training

\*\$75 per group – Group Training
