

TABERNACLE SCHOOL DISTRICT

132 New Road, Tabernacle, NJ 08088

Thomas P. Christensen, Interim Superintendent of Schools

March 2, 2020

Dear Parents/Guardians:

The Tabernacle Township School District is addressing the effects of the COVID-19 outbreak. The support and cooperation of our community over the next several weeks is vital to the welfare of our school family.

The Tabernacle Township School District is taking precautions concerning the spread of the influenza-like illness. We are disinfecting our buildings and school buses in accordance with the Center for Disease Control (CDC) guidelines.

We will continue to monitor guidance documents issued by the CDC, the Burlington County Health Department, and the New Jersey Department of Education for information regarding how best to address a COVID-19 outbreak.

Following is a list of things you can stress with your children/family to reduce the spread of viruses in our schools and community:

- **Cover coughs and sneezes** with a tissue or sleeve, not your hands.
- **Wash your hands** often with soap and water. Use alcohol-based hand sanitizer if soap and water are not available.
- **Stay home if you are sick** and avoid sick people.
- **Review and follow CDC travel advisories** when planning travel. If you become ill after returning home to the United States, call your healthcare provider.

We appreciate your support in working with us to keep our students and staff healthy and virus-free. You can find more information about COVID-19 by visiting our district website at www.tabschools.org

Sincerely,

Thomas P. Christensen
Interim Superintendent of Schools
