Dear Parents/Guardians:

I hope you and your family are doing well and staying healthy. The distance learning initiative is moving in a positive direction due to your cooperation and support. We appreciate your efforts in working as partners with our teaching staff in educating our children during this difficult time.

Please remember our Counselors, School Psychologist and School Nurses are available to work with children in need of emotional support. Please do not hesitate to contact your child's teacher if you have any questions, concerns, comments, etc.

I would like to send kudos to all of our employees for the work they have performed in keeping our district pointed in the right direction. Again, thank you for your efforts. Stay healthy!

Sincerely,

*Thomas P. Christensen*
