

R 8600 PUPIL TRANSPORTATION

General Requirements - Pupils Remote From School

- A. The Board will transport:
1. Pupils who reside remote, as defined in N.J.S.A. 18A:39-1. and N.J.A.C. 6A:27-1.2(a)1. and (a)2., from their assigned district school of attendance;
 2. Nonpublic school pupils who reside remote from their school of attendance and meet the eligibility criteria of N.J.A.C. 6A:27-2.2;
 3. Charter school pupils pursuant to N.J.A.C. 6A:3.1 et seq.;
 4. Special education pupils who reside remote from their assigned school and pupils who require transportation services in accordance with their Individualized Educational Program (IEP);
 5. School choice pupils pursuant to N.J.A.C. 6A:27-4.1.

Nonpublic and Charter School Transportation

- A. The Board will transport resident children who attend a nonpublic or charter school in the State of New Jersey not more than twenty miles from their residence, but not a lesser distance from their residence than that required for the transportation of pupils enrolled in the schools of this district.
- B. Pupils living more than twenty miles from their nonpublic or charter school are eligible for transportation services when other pupils living within the district, whose residence is less than twenty miles from school, are transported to the same nonpublic school.
- C. Aid in lieu of transportation will be provided to a parent(s) or legal guardian(s) pursuant to N.J.S.A. 18A:39-1.

Hazardous Routes

The Board will approve all bus routes by September of each school year. Those bus routes for all non-remote pupils who must walk to and from school along hazardous routes will be designated. The Board will consider, but shall not be limited to the criteria outlined in N.J.S.A 18A:39-1.5 in determining “Hazardous Routes” as follows:

1. Population density;
2. Traffic volume;
3. Average vehicle velocity;
4. Existence or absence of sufficient sidewalk space;
5. Roads and highways that are winding or have blind curves;
6. Roads and highways with steep inclines and declines;
7. Drop-offs that are in close proximity to a sidewalk;
8. Bridges or overpasses that must be crossed to reach the school;
9. Train tracks or trestles that must be crossed to reach the school; and
10. Busy roads or highways that must be crossed to reach the school.

A school district shall work in conjunction with municipal officials in determining the criteria necessary for the designation of a hazardous route.

Charter School Transportation

- A. The Board will provide transportation or aid in lieu of transportation to charter school pupils pursuant to N.J.S.A. 18A:39-1.
- B. The Board is responsible for to and from charter school transportation for the pupils that reside within the district.

- C. Pupils residing within the district that live less than remote from the charter school are eligible for transportation in accordance with the school district's policies for public school pupils.
- D. Pupils who reside in the district or region of residence in which the charter school is located shall be provided with transportation in the same manner as transportation is provided to other public school pupils residing in the district and in accordance with N.J.S.A. 18A:39-1 and N.J.A.C. 6A:27-3.1.
- E. The expenditure for charter school pupil transportation who reside outside of the district or region of residence in which the charter school is located is limited to the annual nonpublic maximum expenditure per pupil in accordance with N.J.S.A. 18A:39-1.
- F. When the schools of this district are closed for inclement weather or other conditions, no transportation will be provided for pupils enrolled in any other public school, charter school, and/or nonpublic school.

Subscription Busing

Subscription busing shall be provided in accordance with Policy and Regulation No. 8611.

Cooperative Transportation Services

- A. When the Board provides transportation of pupils to and from the county vocational schools and/or pupils classified pursuant to Chapter 46 of N.J.S.A. 18A of the New Jersey Statutes and/or when the Board has in the prior year provided payments in lieu of transportation for any nonpublic schools pursuant to N.J.S.A. 18A:39-1 or the Board cannot provide transportation in the ensuing school year the Board will utilize the Educational Services Unit for providing cooperative transportation services in accordance with N.J.S.A. 18A:39-11.1.
- B. The Board will attempt to use the cooperative services provided by the Educational Services Unit prior to determining to pay aid in lieu of transportation.
- C. The Board will provide the Educational Services Unit with any unique limitations or restrictions of the required transportation. When the costs to provide transportation by one of the agencies is less than the aid in lieu of payments, the Board will contract with the agency to provide transportation.

- D. The Board will make the determination on the manner in which transportation services shall be provided in accordance with N.J.S.A. 18A:39-11.1 and shall notify the nonpublic school and the parent(s) or legal guardian(s) of the nonpublic school by August 1 prior to the beginning of the school year.
- E. Transportation by one of these agencies will not be required when the local district can provide transportation at a lower cost than the Educational Services Unit; or the transportation provided by the Educational Services Unit does not fall within the policies of the Board regarding length of ride and assignment of pupils to a route based on pupil age or classification.

School Bus Use and Standards

- A. The Board requires that all buses bid or purchased shall be equipped with seat belts.
- B. School bus drivers and all school bus passengers shall be required to wear seat belts when transported in school buses so equipped. Seat belts shall be fastened when the driver and passengers board the vehicle and they shall be kept fastened at all times while on board the vehicle. Seat belts may be unfastened only when the individual is departing the vehicle. The Board further requires that drivers and passengers using private vehicles to transport pupils wear seat belts in the same manner.
- C. The Board requires every school bus bid or purchased that is used to transport public, non-public and/or charter school pupils will be equipped with a crossing control arm at the right front corner of the bus. The arm must open and extend out from the bus at least five feet each time the bus door is opened.
- D. School bus purchase, use and standards must meet Federal and State standards and must be in accordance with N.J.A.C. 6A:27-7.1 et seq.

Transportation Requests

Parents may request a change in the bus assignment for the purpose of childcare only. Transportation to/from a childcare provider within the district may be provided so long as the following conditions are met:

- A. A Request for Transportation Form is completed and submitted to the Business Office. (The form is available on the school website, school main offices, and in the Business Office).
- B. There is seating available on the bus.
- C. The bus route does not have to be extended.
- D. A consistent schedule is followed each week, five days per week, for the entire school year, as if transportation were being provided from and/or to the student's home. For example, the bus stop assignment or address must be the same each day for morning and/or afternoon.
- E. Childcare provider must be located within Tabernacle Township.

All requests are reviewed by the Business Administrator for approval.

Multiple requests for changes to a student's bus assignment will not be granted. Students are never permitted to ride a bus other than the one to which they are assigned.

All requests for changes to a student's transportation require a minimum processing time of two school days from the date received with the exception of summer requests prior to school starting as noted below.

The Business Office must receive applications for the coming school year by August 15th to be considered for the beginning of the school year. Any applications received after August 15th will not become effective until the second full week of school.

Operation and Management of Transportation System

- A. The Business Administrator and designees shall:
1. Prepare a map of the district on which each bus stop and bus route is indicated or, alternatively, prepare an itinerary of bus routes that may be used in conjunction with a map of the school district;
 2. Prepare and promulgate procedures to be followed in the event of a bus emergency, bus safety, bus driver training and rules governing the conduct of all pupils transported by the Board in accordance with N.J.A.C. 6A:27-11.1 and 6A:27-12.1 et seq.
 3. Maintain such records and make such reports regarding school transportation as are required by the State Board of Education; and
 4. Prepare the specifications for each bus route or contract for which proposals will be sought by the Board in accordance with N.J.A.C. 6A:27-9.1 et seq.
- B. The operation and fiscal management of the district's transportation system shall be conducted in strict accordance with rules of the State Board of Education and the Department of Education Policy and Procedures Manual for Pupil Transportation.
