Synopsis: *The Downside Up* by Olivia Hughes (An Elementary/Middle School Poetry Compilation)

The Downside Up will bring you into my world, where everything is a little better than it seems on the surface. In this book of fantasy and fiction, you will meet a pencil-eating dragon that may lurk through your school halls. You will see a boy who is stuck inside a pickle, and one who has turned into a diving board. You will find a house that is drowning in dogs and a boy drowning his sorrows. But no matter what you find, if you look hard enough, you can always see the positive side in the reflection. *The Downside Up* is a book filled with poetry and drawings by Olivia Hughes.

Please return this portion to your child's teacher by Friday, February 15th
