

**Nutri Serve Food Management, Inc.  
Tabernacle School District**

**Point of Sale System/Cafeteria**

In an effort to speed up our service lines at the register, we are asking that you use our new Point of Sale system to put money on your student's account.

[www.schoolpaymentportal.com](http://www.schoolpaymentportal.com)

This amount will be entered directly into their account. You can deposit any dollar amount and be aware that any money left in your student's account at the end of the year will roll over into the new school year.

The purchases for both lunch and snack can be made from money on account and balances can be checked on line.

***\*\*If you would like a note on your child's account for specific purchase instructions please let us know.***

- Money on account will ensure faster moving lines and allow more time for your student to enjoy their lunch!
- *To view your student's transactions and check their balance you can log onto Lunchtime by going to the Tabernacle website to find the link or [www.schoolpaymentportal.com](http://www.schoolpaymentportal.com). You need to create your own password and use your student's ID # ---- (these 4 digits are the lunch pin number.)*
- **You can still send in cash or check if you prefer; please place in an envelope with your student's name and pin number.**

**Any questions please call Food Service Director: Lisa Bogert 268-1053 x1027**
