

# Tabernacle Township Schools

132 New Road, Tabernacle, NJ 08088

---

Mr. George J. Rafferty  
Superintendent of Schools

Dear Parents / Guardians,

Please remember to call the absentee phone line with a brief description of why your child is absent (fever, vomiting, cold symptoms, doctors appointments). The Nurses conduct Influenza surveillance for the Burlington County Health Department on a weekly basis and require specific information for reporting purposes. This information is also utilized by the Nurses to monitor illness trends in district and consult with the health department during times of ongoing or increased illnesses.

\*\* Please note that you will receive an automated call / email any day your child is absent. You will receive the notice as required by the State, regardless of having called the attendance line with the reason for your child's absence.

Thank you for your help with attendance and illness monitoring,

Eileen Latini RN, BSN, CSN-NJ  
Barbara Wisniewski RN, BSN, CSN-NJ
