

# Spring Celebrations

*April 13, 2017*

Just a quick note regarding the Spring Celebration on the 13th. Several of the classes may be participating in an egg hunt or craft. All plastic eggs and their "surprises" and treats will be sent home in a sealed bag for the children to open with you, their parents.

The PTA homeroom parents have been given instructions that any snacks must be peanut-free. They will be reaching out to you, the parents in the classroom that they represent, for donations for the celebration.

Best wishes for a happy holiday and a restful Spring Break!
